

Design Portfolio

PRACTICE OVERVIEW

Established in 1992, SPIRIT is a multidisciplinary
Architectural and Interior Design practice.

Working across residential, corporate,
hospitality, and institutional sectors,
we have completed **500+ projects across India.**

Our approach combines functional planning, thoughtful
detailing, and long-term value to create spaces that
remain relevant over time.

SCOPE OF SERVICES

- Integrated architectural and interior design
- Concept to execution oversight
- Consultant and contractor coordination

RESIDENTIAL PROJECTS

HOTELS & RESORTS

Context, climate, and user experience driven design

Project: Mountain Resort

Location: Uttarakhand

Scope: Architecture & Planning

Type: Hospitality

- Careful response to terrain and views
- Minimal site disturbance
- Comfort and durability

Hospitality projects across varied geographies,
reflecting contextual design and experiential planning.

Publications & Features

Selected projects have been featured in professional publications and platforms, reflecting recognition of design quality and built work.

DESIGN APPROACH

- Context-driven planning
- Function-led form
- Ease of movement
- Attention to detail through execution

MATERIAL, LIGHT & FORM

- Restrained material selection
- Light used to enhance comfort
- Durable, composed spatial character

SUSTAINABILITY & RESPONSIBILITY

- Passive planning strategies
- Natural light and ventilation
- Reduced maintenance and long-term comfort

WHY CLIENTS CHOOSE US

- Experience-backed decision-making
- Clear concept-to-execution translation
- Custom solutions
- Long-term value

Leadership Backed By Experience.
